### CANDIDATES' STATEMENTS [condensed - full statements in packet p. 5]

**Karen Cleland** – Unit #152 — Recently I have been a committee member of the Local Outreach and Hospitality Committees at CW. I would be very excited and honored to join the CW Townhouse Association board to learn more about how it operates and help out in any way I can.

**George Shaw** – Unit #36 -- I spend approximately one-third of my time here at CW. My primary home is in San Ramon, CA where I have served on my local HOA for several years and was honored to become the president. We have a great board and staff here at CW and it is time I step up to help.

**Dave Sullivan** – Unit #112 -- I have been a member of the CW Board of Directors for 15 years. As a board member I have served in many ways, acting as Board Secretary and for the last 10 years as the Treasurer. I wish to continue to serve on the Board to ensure that CW remains the "Gem of the Lake"

**Fran Swanson** – Unit #134 — CW is a very special place and I feel fortunate to have joined this community many years ago. I have seen the many improvements to CW and I hope to see these continue by serving as a Board member. I believe my work experience coupled with my knowledge of CW provides me the tools to be an effective member of your homeowners' board.
